

Tabella1

The image shows a large grid-based table with 'X' characters forming a pattern. The pattern is a stylized letter 'X' or a similar shape, composed of 'X' characters on a grid. The grid is approximately 30 columns wide and 40 rows high. The 'X' characters are arranged in a way that forms a large, central 'X' shape, with smaller 'X' characters forming a border or additional details. The pattern is symmetrical and occupies most of the grid area.
